yet...

A word cloud of mathematical terms is displayed on the right side of the whiteboard. The words are arranged in a roughly rectangular shape and include: scalene, proportional, exponential, equidistant, factorise, trapezium, tessellate, frequency, symmetry, simultaneous, alternate, intersect, quadrilateral, continuous, coordinate, sequence, adjacent, circumference, discrete, hypotenuse, equilateral, quadratic, Pythagoras, corresponding, integer, cumulative, consecutive, vertex, parallelogram, probability, frequency, inverse, exponential, reciprocal, rhombus, bisector, interquartile range, gradient, parallel, isosceles, questionnaire, congruent, density.

Mistakes

are the

portals of

discovery.

*James Joyce (1882 - 1941)*

If you

think

you

can do

a thing

or

think

you

can't

do a

thing,

you're

*right.*

Henry Ford

"Anyone

who has

never

made a

mistake

has

never

tried

anything

new."

Albert Einstein
